South Carolina State Parks

First stop -- Day 4 -- Dreher Island! It was raining when we arrived, so we filmed from the tackle shop, but there's so much to see and do at the park. Cabins, great villas, boat ramps, fishing, picnic shelters, we could go on and on! Listen in as Park Manager EJ Jones tells you a little about the park. Dreher Island State Recreation Area - Absolutely one of the best!

David Biggers We'll be there this weekend, Friday thru Sunday.

David Biggers Are they going to rebuild the boat slips out there? We're bringing our boat this weekend and will have to trailer it after a day on the lake because our campsite isn't good for docking the boat, no shoreline.

Wendy Johnson I absolutely LOVE Dreher Island...it's the main reason I moved on the lake! Bask in the untainted nature...

South Carolina State Parks David - Unfortunately we do not have any plans for any type of construction on the marina at Dreher Island. We apologize for the inconvenience.

Kent Brown I have attended or stayed at most of our state parks, from Hamilton Branch to Keeowee, from Hunting Island to Myrtle Beach and most inbetween. I am VERY concerned about budget priorities from the legislature however. I have seen the impact first hand. We ALL need to make sure that our representatives recognize the need for our SC State Parks system and insure they fund accordingly.
