Subject: FW: Follow-up on Clemson Game

Katherine and Jennifer,

On behalf of Oconee County, let me say thank you for allowing one of our existing industries to enjoy the Clemson game recently. As noted below from the company contact, they enjoyed their time. I feel for certain this will go a long way as they continue discuss investing in their plant outside Westminster, S.C.

Richard:

The game was excellent and the Box seats were great.

Thank you for the opportunity. We very much appreciate it!

Best Regards,

Bobby Dover

Bobby and Bob,

How was the Clemson game and the box?
