Re: Frivolous Lawsuit

Dear Governor Haley:

Last month we received a dismissal notice from the EEOC for a claim that had been filed over a year ago. This claim was fraudulent and, therefore, the EEOC issued their dismissal. A few days later, we received a call from the claimant's attorney demanding a \$20,000.00 payment to keep them from filing a lawsuit. Yesterday we received a letter from the claimant's attorney putting his demands in writing. We do not have the funds to deal with frivolous lawsuits, such as this, and need your help urgently! Any assistance that you may be able to provide against frivolous lawsuits, such as this, would be greatly appreciated.

Sincerely,
