Subject: Walmart kicks off "Fight Hunger. Spark Change." Campaign

Dear Kevin Bryant,

Walmart kicked off its fifth annual nationwide "Fight Hunger. Spark Change." campaign this month online and in stores by asking its 150 million weekly shoppers to raise the bar to support the Feeding America network of 200 local food banks and the one in eight people who battle hunger in America at some point during the year.

Over the past four years, the " Fight Hunger. Spark Change. " campaign has raised \$ 682,518 for South Carolina .

Walmart and Feeding America are doubling their meal goal to 200 million meals, increasing supplier participation to 14, and introducing the Walmart Credit Card as a new way for customers to get involved in the campaign. In another first, Walmart is uniting with social networking site, Nextdoor, to bring community leaders and neighbors together around a donated communal table to discuss the local impact of hunger in select cities.

Thank you,
Brooke
