Subject: the Establishment strikes back

Dear Friend,

If you haven't yet seen the news, I want to be the first to tell you...

The liberal Republican Establishment has hand-picked their candidate to run against me in my re-election campaign for state senate.

And it's the same liberal Republican I defeated in 2008.

You can bet this will be the Republican Primary race to watch!

I hope you'll stand with me by making your most generous contribution of \$25. \$50, \$100, or more toward my campaign today.

My just-announced liberal Republican opponent is a relic of "go along to get along" Republican Party politics... the sort of "you scratch my back, I scratch yours" way of doing things.

He campaigned as a "reformer" when he was first elected to the state house in 2000, but soon became a pawn of the liberal Republican Establishment.

When I challenged him in 2008, my campaign won by fewer than 200 votes.

It truly was a close race, and I suspect it will be a close race again.

I'm asking for your support, and I need it now more than ever.

I hope you will dig deep and make a generous contribution of \$25. \$50, \$100, or more to help me fend off an Establishment pawn.

There's a critical fundraising deadline on Sunday night at midnight, and I hope you will pitch in before then, so I can send a strong message to my opponent and his Establishment Republican backers.

I'm not afraid of this rematch, but it will take friends and allies like you to help push us across the finish line.

I'm counting on you.

For Liberty,

Senator Lee Bright

P.S. The Republican Establishment has hand-picked their candidate to challenge me in the upcoming primary, and I must be prepared to fend off unfair and misleading attacks. I have always stood firm on our commonsense conservative principles.

I hope you will stand with me by making your most generous contribution of \$25, \$50, \$100, or more today. Thank you.
