 As you spend the day enjoying state parks, try to stick around and catch a sunset... trust us, it'll be worth it. Can anyone attest? Sadlers Creek State Park

kimmy_75lvr GREAT pic @garfieldsheng 📍 Love Sadlers Creek, camp often! 3 years ago, some family members were all together and my brother was approached & interviewed by a Leisure/Outdoors Reporter with the Anderson Independent. The pic on the front page was of my College football playing son chilling in a chair, followed by my brothers interview 😊 #itsagreatdayinsouthcarolina 1 #yeahthatgreenville 🍷 #coastalliving ➡
