Dear Cody,

Thank you for your letter. I love to hear from students and appreciate your interest in our great state!

From the mountains to the Lowcountry, there are countless opportunities to learn about history, participate in a variety of outdoor activities, enjoy delicious food, and meet some of the friendliest people in the nation. I absolutely love being Governor of South Carolina because it is a great state! Every day there are new challenges and decisions I have to make. My goal is to improve the quality of life for all South Carolinians and make our state an even better place to live, work, and raise a family. My very best,
