Christian, I hope you are doing well.

Governor Haley recently designated Tom Fletcher from the Division of State Information Technology (DSIT) as the point of contact for South Carolina's State and Local Implementation Grant Program. Tom Fletcher has now announced his retirement effective July 17, 2013, and Bob Steadman (DSIT – Statewide Interoperability Coordinator) has agreed to serve in that capacity.

I, respectfully, request that Governor Haley designate Mr. Bob Steadman from DSIT to replace Tom Fletcher. We will also need another letter addressed to Secretary Strickling reflecting this change. For your convenience, I have attached the letter of March 13<sup>th</sup> from Governor Haley. I will be happy to distribute this letter if you would return it to me at your convenience.

Please let me know if you have any questions. As always, thank you for your help.

Thanks,

Jimmy
