Hi! Is there a map that shows all of the parks in the state? I'm trying to figure out where they all are...  
Thanks!

Hi. Yes, we have a map online here: <http://southcarolinaparks.com/park-finder/state-park-finder/default.aspx> Or if you send me your mailing address I can send you some printed literature. Thanks!

Perfect! That was just what I was looking for, but couldn't find on the mobile site.  
Thank you!
