Ms. Haley (Governor)

I am Clayton F Owens my wife is Judy P Owens We live in Oconee County and two of our Grandchildren are in the DSS system in Anderson County the case worker is LeAnn Price 864-224-6576 her supervisor is crystal Sanders 864-260-4100.

My wife and I have some concerns about the children and would like to talk to Ms. Price we have called Ms.Price several times to only get her voice mail and she never returns the calls so I then called

Ms. Sanders to only get her voice mail and with no reply maybe this is why children fall through the cracks at DSS can you help?

I know as grandparents we don't have much we can do but we have a part of these children lives sense birth in one way or another. We only want what's best for them. An be sure they are getting the best help and advise.

Thanks Clayton Owens
