Could someone please let Lake Wateree State Park know that Joan Dwight and Frank Cebula will be unable to volunteer there this fall. We were supposed to start October 1 through the end of the year. Frank has fractured 3 vertebra and been diagnosed with colon cancer and Parkinson's Disease. I'm sorry we won't be able to make it and hope it doesn't inconvenience anyone too much. I was looking forward to volunteering there. Thank you.

I have passed this along to the park manager, Rowdy Harris. So sorry to hear about your husband. Our thoughts are with you.
