Debbie received the call initially and sent it to me on 6/31. I talked it over with TB and she thought it was a good idea for him to do it. I confirmed it with TB this morning to make sure before I put it on the Lt Gov's calendar. The event is casual so I am certain that they would be fine to get there at 7:15.

He won't be able to make it there until 7:15. Please let them know. When did we get this invite?
