## South Carolina State Parks

at 13:11:36 on 6/19/2021 UTC

Happy Juneteenth! Our three historic plantations are providing a three-video series to tell you more about what happened on Juneteenth and the periods leading up to and after this historic day. Today, Ranger Stephanie tells us about "witness trees" that have seen this history unfold, how some freed African Americans remained on plantation as tenant farmers and sharecroppers and the Reconstruction Era filled with forward momentum for these freed men and women as well as setbacks along the way.
