K: Can someone help me with the below? This is constituent who has emailed me asking questions about “refugees” – I am not sure what it is. Tom

Dear Tom,

Thank you.

I deeply appreciate your follow up on this.

The State gets Federal Grant money to resettle these refugees the more they accept the larger the grant. Once the grant money ends the taxpayers are on the hook for them. They are not screened so we have no way of knowing who they are.

This will be an important issue in the 2016 Presidential Election dealing with National Security.

The expert on this is Ann Corcoran.
