Dear Governor Haley

The Sarlaflex family thanks you for your generosity and the help extended to us at Walterboro.

We are indeed honoured to have your invaluable support in our fledgling venture.

You can be rest assured that with your trust and the unstinting support given to us by your office we will not disappoint you in our endeavour in South Carolina.

We hope in time with care and good guidance it will continue to grow and flourish and bring cheer and happiness to all who are associated with it.

Regards,

Krishna
