HHS has added general funds to the DDSN line – they say that they're doing it to represent the funding he's putting forth explicitly to reduce the waiver waiting list. Thoughts?

The DDSN state dollars are dollars that we are committing to decrease the waiver waiting list. It is not taking match from them.

No, I do not have access to any of the decision packages anymore.

Adriana,

I am going over the new extracts that Quentin sent me from the Budget Office and it appears that general funds have been added to the DDSN line under II.A.4. Assistance Payments – State agencies. Can you walk me through this?

Also, do you have sufficient access to PBF to pull decision package #2028 from your view? It's a small issue, but I need to reconcile before we close out.

Thanks,

Josh
