Lt. Governor Bryant, I wholeheartedly support our troops in the military, and support the GOP's amendment to add conscience protections. Defunding the military's coverage of gender transitions is a no brainer & it shouldn't even have to be considered. God's laws ALWAYS usurp man's laws. They are a perversion of the laws of God, & His laws are non-negotiable. We totally need to roll back the entire Obama transgender policy.
