News 12 Midday (News)

... closures and slowdowns during work hours once that begins. in south carolina...  
governor nikki haley says almost half of the roads are in poor condition. haley is trying  
to add ten cents to the gas tax to help pay for the 3.5 billion dollar project to improve  
roads. but some peoplepeople in aiken aren't avoiding the problem -- they're even  
willing to help pay. i have to use skills just to ...
