hey! I sent an email last week and never got a reply. I am a photographer and interested in doing camping mini sessions at the park in a month or two and would be donating some of the money from it to the park. Is this okay before i reserve a spot? The park is at Lake Greenwood State Park.

You need to contact Lake Greenwood State Park directly. They handle events like this on their park, and issuing special use permits, etc. Please contact their Park Manager, Fayette Yenny, at 864-543-3535. You can also visit our website at <https://southcarolinaparks.com/lake-greenwood>
