Nicole,

We are so disappointed; however, we certainly understand. Is there any way we could reschedule, we have many tickets already sold and deposits made with lots of preparation.

Very Respectfully,

Charlotte,

I have been working on the Governor's calendar for next week, and as you can imagine the Governor's schedule is changing daily in response to the recent flooding. Regrettably, Governor Haley will no longer be able to speak at the McCormick County Women in Business Annual Awards Luncheon on Thursday, October 22nd. I apologize for this change, but Governor Haley is focused right now on the relief and recovery efforts across the state. I am sorry for this last minute change, and I appreciate your understanding.
