Subject: Elliot Summey Call w/Governor

I just received a call from Charleston County Council's office regarding a National Guard legal issue that their attorney has told them needs to be addressed by the Governor. They need to know the process and authority necessary to declare a mandatory evacuation. Elliot Summey, Charleston County Council Chairman, would like to speak with Gov. Haley directly. The best number to reach him is 843/958-4031.

They understand how busy she is and how taxed her time is, but they are convinced this is an issue that needs to be handled by the Governor. Please let me know

Thanks.
