Hi Chaney:

My name is Adam Vaccaro. I'm a reporter, working on a freelance piece for POLITICO.

I am writing about the nation's First Gentlemen, all of whom have of course been to this point husbands to governors. I am doing so with the focus on the possibility that Bill Clinton could become the first at the national level, and with the goal of looking into the roles and responsibilities of those who occupy the position at the state levels.

Would it be possible to set up some time to speak with Mr. Michael Haley? And if you're not the right person to ask, could you point me toward whoever may be? I have a deadline of Friday.

Thanks so much in advance for any help!

Adam
