**Subject:** The House Votes Today on AHCA. Call Now!

---

**Call 866-426-2631 now and tell a House member to vote NO on the AHCA!**

Leaders in the House of Representatives will likely bring the amended AHCA to a vote midday today. If passed, this bill's massive cuts to Medicaid amount to an all-out assault on the health and long-term care needs of older adults. Additionally the bill will take health care away from 24 million Americans.

Recent changes to the bill have made a bad bill even worse by gutting protections for people with preexisting conditions (8 in 10 people between 55-64 have preexisting conditions). New provisions that add money to high risk pools actually incentivize states to waive the protections provided by the pools.

**Call 866-426-2631 NOW** to protect Medicaid and health care for older adults. Members of the House need to hear loud NOs from every corner of the country.
