

# Public Invited To See Housing Project Units

*The Record* — 9/22/41

Some units of Gonzales Gardens, low cost housing project, will be open for inspection at the dedication exercises to be held at 5:30 o'clock Friday afternoon, William R. Geddings, supervising manager, said today.

Mr. Geddings said that various organizations would be represented at the dedication ceremonies and explained that the inspection would follow the exercises.

A plaque in memory of the three Gonzales brothers—Ambrose E., N. G. and William E.—for whom the project was named, will be unveiled by Miss H. R. E. Gonzales of Osborn, sister of the three brothers.

The Columbia Housing authority is arranging a program, Mr. Geddings said. The program has not been completed, he explained, but one of the attractions will be the Allen-Benedict chorus.

The exercises will be held in front of the administration building.
