Kaitlin,

Thank you for reaching out, unfortunately the governor does not have availability to join you this Thursday.

However, please feel free to stay in touch, and I am happy to let you know if anything changes.

Hope your holidays were merry and bright!

I am reaching out to you after contacting Brian Symmes a couple of weeks ago about a possible interview opportunity.

I will be in Columbia this Thursday for the legislative workshop with a photographer, and I was wondering if Gov. Nikki Haley would have time for a short one-on-one interview with me before she becomes the UN Ambassador.

I know she is very busy right now, but I just thought I would ask.

Hope to hear back from you soon.

Sincerely,
