Since this check had not been cashed it was returned to you per your instructions to me to receive a replacement check. I have not received a replacement check as of this date. I have called Mr. Osborn several times and left a message and although his voice recording says the call will be returned, I have never received a response except for informing me to return the check and I would be issued a replacement.

These services and products were delivered and insurance filed in a timely manner, therefore, I should receive a replacement. I followed your instructions.

Would you please process this?

Yours truly,

Frances Arthur
