US House Survey REAL ID 10_15_071.doc

Scott,

On September 22, we received a REAL ID survey from the US House Appropriations Committee. Our response to the survey is attached.

Also attached are several documents that we reference in our survey response. They include:

Our original response to DHS regarding REAL ID

The REAL ID legislation passed by the General Assembly

A DMV form (MV93) that lists the required documents for citizens to obtain a license or ID

A DMV form (MV94) that lists the required documents for non-citizens to obtain a license or ID

The deadline to return this survey to Congress is October 19. Please let me know if you have any comments or changes.

Thanks
