Subject: Revised Statement to WSPA re: Accurate Diagnostics

In October 2015, DSS was notified that law enforcement was conducting an investigation of Accurate Diagnostics in Laurens County. The Department immediately stopped using Accurate Diagnostics in Laurens County for any services and has been continually cooperating with law enforcement in its ongoing investigation. DSS reviewed all cases potentially impacted by fraudulent test results provided to the Department by Accurate Diagnostics in Laurens County and has been coordinating with the local judiciary to remediate any case impacted by the alleged fraudulent test results.
