Hi Brian,

Might we be able to look at Monday in the 11a with John Berman and Kate Bolduan anchoring? Maybe that would be better?

Please don't hesitate to connect with me on email or at 917-751-5728 at any point today or over the weekend.

Thanks so much~  
Marie

Hi Brian—

I can only imagine how inundated your office must be during this troubling time...  
I just wanted to make sure that you're aware of our requests for today's 11a broadcast. If on-camera isn't doable for the Governor, we can also have her on the phone—if that were easiest.

Most Appreciatively,  
Marie

Good Morning Rob,

Circling back to see if we can make anything possible today—LIVE—during the 11a ET hour. Don Lemon will be anchoring from Charleston and Kate Bolduan will be out of NY.

With My Gratitude,  
Marie

Subject: Urgent--CNN and Governor Haley for This Morning

Importance: High

Good Morning Rob,

First—I want to express our sympathy and deepest condolences...an awful, awful day.....

We wanted to see if Governor Haley is able to join us LIVE during the 11a-12p ET hour this morning as we continue our special coverage. John Berman will be out of Charleston and Kate will be out of NY.

You can easily connect with me either here on email or at 917-751-5728 to let us know if we can make it work. If phone is the only option—we can easily make that work.

With Our Appreciation and Compassion,

Marie
