I understand that Edisto beach state park will be open for reservations Monday for next year. Could you tell me if there still any limitations on certain sites coming in certain days like Thursday to Thursday Saturday to Saturday or Friday to Friday? We just hate to try to get a site if there's a rush on and find out we picked the wrong day to try and reserve. Thank you.

I'm not sure. It would be best if you checked with the park directly at 843-869-2756

I actually did yesterday but the gentleman I talked to wasn't sure either. Thanks for responding though.
