RE: Jonathan Skelton, Case No. 250-75-0563

Dear Mr. Keck:

The parents of Jonathan Skelton contacted me. His parents reside at 129 Simonds Street, Warrenville, SC 29851, (864) 986-9437, (cell), he is pastor of Warrenville Church of God. Their son, Jonathan, resides in the Pickens area. Jonathan was awarded SSI and Medicaid benefits until recently when they were discontinued.

As explained to me, Jonathan applied for SSI around April 2007, was turned down in October 2007, hired Attorney Redmond Coyle, reapplied and in August 2009, his application was approved and benefits began.

In 2008, his parents decided to place property (a vacant lot) located at 415 Griffin Mill Road, Pickens, South Carolina, in Jonathan's name. They gave two reasons for this decision 1) to give Jonathan something in the event something happened to them and 2) use as an investment due to a crisis they were facing with obligations that were out of their control. The property was purchased in 2005 with funds that came from Robert and Pamela Skelton's retired minister's pension fund. They pay the taxes on this property even though it is now in Jonathan's name.

They had no idea this would affect his SSI and other benefits and would never have jeopardized his future by placing this type of investment in Jonathan's name in the event of their death. However, when made aware of the problem it caused in a SSI

Page Two
October 10, 2011

letter, dated May 23, 2011, they immediately had the property title transferred into their names.

Jonathan receives food stamps and the Pickens Department of Mental Health is helping with some of his prescriptions with samples of his five prescriptions and his parents pay the additional costs of his medicines not provided by the department.

Jonathan is unable to work because he has a schizophrenic disorder and paranoia and without his SSI benefits he has no income. His parents are providing him a place to stay, utilities and other expenses and things that an EBT card does not cover. He will turn 25 on November 12, 2011.

His parents made a mistake placing the vacant lot property in his name never realizing it would jeopardize his benefits and only means of support. I would appreciate any assistance you can offer in resolving this issue for them and have enclosed some pertinent documentation and we thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Roland", with a stylized flourish at the end.

RE: Explanation's for the following Items.

- 1.) Jonathan applied for SSI about April 2007 and was turned down October 2007. He hired Attorney Redmond Coyle to reapply and in August 1, 2009 he was approved and started receiving benefits.
- 2.) In 2008 Robert & Pamela Skelton decided to place a property located at 415 Griffin Mill Rd. Pickens S.C. (which is a vacant lot) in Jonathan name, There were two reason, number one was so Jonathan would have something in the event something might happen to we, his Mother and Father; Second, was to secure the investment due to the crisis we were facing with obligations that were out of our control. This said property was purchased in 2005 with funds came from Robert Skelton and Pamela Skelton's Retired Ministerial Pension Fund of which we paid taxes on these funds and at the time made an investment in this property. We have paid property taxes for it during the time it was in Jonathan's name. We had no knowledge that this would affect his SSI in the future or we would not have jeopardized his future in placing this a type of trust fund in the event of our deaths. However, It is presently in our names when we were made aware of the problem by SSI letter in May 23, 2011 to correct the mistake.
- 3.) The present situation is that Jonathan is receiving Food Stamps and Pickens Mental Health Department is helping him some with his Prescriptions by giving him samples of his five Prescription which he is on and we his Parents pay for additional cost that Pickens Mental Health Department cannot help with. Jonathan is unable to work because he is Schizophrenic disorder, and paranoia and without SSI he has no income. We, his Father and Mother are providing him a place to stay paying Loan Payments, all Utilities and Maintenance, and things that EBT does not take cover. Jonathan will turn twenty-five November 12, 2011.

Thank you for your help and God Bless,

Robert W. Skelton

Dear JONATHAN SKELTON ,

RE: Setoff Debt Collection
SCDMH No.: 10035993

According to our records, you owe the South Carolina Department of Mental Health ("SCDMH") a debt in the amount of \$3791.00, for care and treatment provided to you as an inpatient of SCDMH. You are hereby notified of the Department of Mental Health's intention to submit or resubmit this debt (indicating your name, social security number and debt owed the Department) to the South Carolina Department of Revenue within the first two weeks of November of this year to be setoff against your individual income tax refunds until the debt is paid in full.

You must contact Terry Rowson at (803) 898-8562 to make arrangements for payment of this debt. If satisfactory arrangements for payment of the debt are made within 15 days of the date of this letter, we will withdraw your account from consideration of the Setoff Collection Program this year and we will not submit a claim for this debt to the Department of Revenue.

Pursuant to the Setoff Debt Collection Act, the amount owed, plus all costs, will be deducted from your South Carolina individual income tax refunds unless you begin to make consistent monthly payments or you file a written protest within thirty days of the date of this notice. The Setoff Debt Collection Act allows the Department of Revenue to deduct, from any refund, this amount plus all costs, including a \$25 administrative fee. If you file a joint return with your spouse, this amount will be deducted from the total joint refunds without regard to which spouse incurred the debt or actually withheld the taxes.

Failure to make consistent monthly payments will result in your name being submitted to the Department of Revenue pursuant to the Setoff Debt Collection Act.

The protest must contain the following information:

1. Your name.
2. Your address.
3. Your Social Security Number.
4. The type of debt in dispute.
5. A detailed statement of all the reasons you disagree or dispute the debt.

The original written protest must be mailed to the Department of Mental Health at the following address:

Mrs. Terry Rowson

This notice changes the decision we sent you before about JONATHAN P SKELTON's overpayment for 08/10-09/10.

Why He Was Overpaid

JONATHAN P SKELTON could not get SSI since the value of his resources was more than the SSI limit. As a result, he was overpaid 08/09-06/11. For 2009 the limit on the value of the things he owned which we included as his resources was \$2,000.00.

Resources may include cash, money in bank accounts, stocks, bonds, land or housing other than his home, certain kinds of life insurance and some other things. Your Social Security office can tell you which things we include as resources.

ROBERT WESLEY SKELTON JR
FOR JONATHAN PETER SKELTON
129A SIMONDS ST
WARRENVILLE SC 29851

Type of Eligibility:
Individual-Disabled

We are writing to tell you about changes in JONATHAN P. SKELTON's Supplemental Security Income (SSI) payments. The following chart shows the SSI money due him for the months we changed. As you can see from the chart, we are changing his payments for both past and future months. The rest of this letter will tell you more about this change.

The Payments of JONATHAN P. SKELTON Will Be Changed As Follows:

From	Through	Amount Due Each Month
August 1, 2009	Continuing	\$0.00

We will stop his payments as shown above beginning July 2011.

Why JONATHAN P. SKELTON's Payments Changed

- We find that he has resources worth more than \$2,000.00 for August 2009 on.

For him to continue to receive SSI payments, the resources that he owns cannot be worth more than \$2,000.00 for August 2009 on. We call this amount the limit on resources.

Resources are the things that he owns such as cash, stocks, bank accounts, certain types of life insurance, buildings, and land on which he does not live. We do not include as resources the home in which he lives, one car used for transportation and some other things.

See Next Page

- We explain on the worksheets at the end of this letter how we decided that he is not eligible for SSI because of resources that are over the limit.
- Although his resources would prevent him from receiving payments, he may still be able to receive SSI while he is trying to sell his resources if all of the following are true.
 - The value of cash, including savings, and other things he has that can easily be changed into cash is less than \$2,000.00.
 - He has other things that cannot easily be changed into cash and these things make his resources too high. Examples of such things are a building or land on which he does not live.
 - He will sign a written agreement which allows him to receive SSI payments while he is trying to sell the property that causes his resources to be over the limit.
 - He agrees to repay any SSI payments that he receives while trying to sell the property from the proceeds of the sale of this property.
 - He also meets all other SSI eligibility rules, including being found disabled, blind, or age 65 or older.

If you think all of these are true about him, and he wants to receive SSI payments, please contact your local Social Security office.

Information About Medicaid

For information about any change in his Medicaid eligibility caused by this action, he should get in touch with the local County Department of Social Services.

You Can Review The Information in JONATHAN P. SKELTON's Case

The decisions in this letter are based on the law and information in our records. You have a right to review and get copies of the information in our records that we used to make the decisions explained in this letter. You also have a right to review and copy the laws, regulations, and policy statements used in deciding his case. To do so, please contact us. Our telephone number and address are shown under the heading "If You Have Questions".

Things You Should Know

- We may be in touch with you later about any payments we previously made.
- This determination replaces all previous determinations for the above periods.

- If at any time in the future he thinks he qualifies for payment, please contact us immediately about filing a new application. The earliest month for which we can pay him is the month after he files a new application.
- This information is also being sent to JONATHAN P. SKELTON and his attorney JOHN COYLE.

If You Disagree

If you disagree with this decision, you have the right to appeal. A person who did not make the first decision will decide the appeal. We call this appeal a reconsideration. When you appeal, we review his entire case, even the parts with which you agree. We consider any new facts we have and then make a new decision. The new decision could be more favorable, less favorable, or the same as the one you already have.

Time To File An Appeal

- You have 60 days to file an appeal in writing.
- The 60 days start the day after you receive this letter. We assume you received this letter 5 days after the date on the letter.
- You must have a good reason for waiting more than 60 days to file an appeal.

Appeal In 10 Days To Keep Receiving The Same Payment ✓

If we receive your written appeal within 10 days, his payment amount will not change until we decide his case.

- The 10 days start the day after you receive this letter.
- If you lose his appeal, you might have to pay back some or all of this money.

However, even if you appeal within 10 days, we may stop his payment in July 2011 if both of the following are true:

- Our new decision is the same as the one you appealed, and
- We send or give you a letter with our new decision in time to stop the payment.

How To Appeal

You can file an appeal with any Social Security office. You must request the appeal in writing. There are 3 types of appeals. In most cases, you can choose the one you want.

- **Case Review:** You will not meet with the person who decides his case. You have a right to review the facts in his file. You can give us more facts to add to his file. Then we will decide his case again. This is the only kind of appeal you can have for a medical decision.
- **Informal Conference:** You will talk with the person who decides his case either in person or over the phone. You can tell that person why you disagree with our decision. If you meet with us in person, it may help his case. You have a right to review the facts in his file. You can give us more facts to add to his file. You can have other people help explain his case. Then we will decide his case again.
- **Formal Conference:** This is a meeting like an informal conference. The difference is we can require people to come to help prove you are right. We can require them to bring important papers about his case, even if they do not want to help you. You can question these people at your meeting. Then we will decide his case again.

If You Want Help With Your Appeal

You can have a friend, representative, or someone else help you. Many representatives do not charge a fee unless you win your appeal. There are groups that can help you find a representative or give you free legal services if you qualify. Your local Social Security office has a list of groups that can help you with your appeal.

If you get someone to help you, please let us know. If you hire someone, we must approve the fee before he or she can collect it.

Resources What You Need To Know

What is a resource for SSI purposes?

A resource is money and anything that you own and can turn into cash. A resource will be considered yours even if you own it with someone else; however, we generally only count the portion that is yours and that you can sell. Resources include cash, bank accounts, life insurance policies, automobiles, and other property.

How is a resource different from income?

Resources are the things you own. Income is money you receive such as wages or Social Security benefits. Any income you get in one month and still have on the first moment of the following month is a resource in the second month. For example, if you receive \$300 in March, any of that \$300 you have left on April 1st is a resource.

Why are resources important in the SSI program?

To be eligible for SSI, your resources must not be more than the resource limit. The resource limit is:

- \$2,000 for an individual,
- \$3,000 for a married couple living together,
- \$2,000 for a child receiving SSI. If the child lives with one parent, an additional \$2,000 is allowed for the parent. If the child lives with two parents, a total of \$3,000 is allowed for both parents. Any of the parent's resources over these limits are counted towards the child's resources.

Whose resources do we count?

- We count your resources.
- We count the resources of your spouse if you live in the same household.
- We count the resources of a parent over the limits above if you are under 18 years old and live in the same household.
- We count the resources of your sponsor and your sponsor's spouse if you are a sponsored alien.

What resources count toward the resource limit?

Common resources that we count toward the limit are:

- Cash

- Bank accounts
- Stocks, bonds, and certificates of deposit
- Life insurance policies with a cash surrender value
- Real property such as a house that you do not live in
- More than one vehicle

We add up the value of all your countable resources to see if you are below the limit.

What resources do not count toward the resource limit?

Common resources that we do not count are:

- The home you live in (and adjacent land) ✓
- The value of one vehicle used for transportation
- Life insurance policies when the total face value is \$1,500 or less per person
- Burial funds up to \$1,500 each for you and your spouse
- Burial plots or spaces for you and your immediate family
- Property you use in a trade or business
- Retroactive SSI payments or Social Security benefits paid to you for nine months after you receive them
- If you are disabled or blind, any money or property you have set aside under an approved plan to become self-supporting
- Household goods and personal effects

When do we count changes in resources?

We determine the value of resources as of the first moment of the month. Changes in your resources are counted in the month after a change takes place. For example, in the month of June if the value of your resources goes up or down, or you obtain a new resource, or you sell a resource, the change affects your resources for July.

What happens when a resource is given away or sold?

If you, your spouse, or a co-owner give away a resource or sell it for less than it is worth, you may be ineligible for SSI for up to 36 months. How long you are ineligible for SSI depends on the value of the resource you gave away or for how much you sold it.

**HOW WE FIGURED JONATHAN P. SKELTON's INELIGIBILITY FOR
August 2009 THROUGH April 2011**

JONATHAN P. SKELTON was not eligible for SSI for August 2009 through April 2011 because his resources were worth more than the \$2,000.00 resources limit. On the first day of August 2009 he owned the following items which count toward the resources limit.

JONATHAN P. SKELTON's Resources That We Count	
Real Estate or Business Property	<u>\$30,000.00</u>
JONATHAN P. SKELTON's Resources That We Count	\$30,000.00
SSI Resources Limit for an Individual	<u>-\$ 2,000.00</u>
Amount Over the Resource Limit	<u>\$28,000.00</u>

IMPORTANT REMINDERS

We counted only the resources listed above. We generally do not count the value of a home, one vehicle, and a burial fund of up to \$1,500.00. Contact your local Social Security office if you have questions about how we determined the value of JONATHAN P. SKELTON's resources or wish to report that the value has changed.

If JONATHAN P. SKELTON's resources shown above are reduced below \$2,000.00, he may become eligible for SSI benefits. If he gives away or sells resources for less than they are worth, he could be ineligible for SSI for up to 36 months. Contact your local Social Security office for information about how disposing of resources affects eligibility for SSI.

**HOW WE FIGURED JONATHAN P. SKELTON's INELIGIBILITY FOR
May 2011 ON**

JONATHAN P. SKELTON is not eligible for SSI for May 2011 on because his resources are worth more than the \$2,000.00 resources limit. On the first day of May 2011 he owned the following items which count toward the resources limit.

**JONATHAN P. SKELTON's Resources
That We Count**

BANK OF AMERICA, NATIONAL ASSOCIATION	
Checking Account	\$ 6.00
Real Estate or Business Property	<u>\$30,000.00</u>
JONATHAN P. SKELTON's Resources That We Count	\$30,006.00
 SSI Resources Limit for an Individual	 <u>-\$ 2,000.00</u>
Amount Over the Resource Limit	\$28,006.00

IMPORTANT REMINDERS

We counted only the resources listed above. We generally do not count the value of a home, one vehicle, and a burial fund of up to \$1,500.00. Contact your local Social Security office if you have questions about how we determined the value of JONATHAN P. SKELTON's resources or wish to report that the value has changed.

If JONATHAN P. SKELTON's resources shown above are reduced below \$2,000.00, he may become eligible for SSI benefits. If he gives away or sells resources for less than they are worth, he could be ineligible for SSI for up to 36 months. Hi Teeshla! We can close this log without a written response. I've spoken with the constituent's representative as well as Rep. Roland Smith. Mr. Skelton states the property is no longer in his name. He continues to work with the Social Security Office regarding his SSI eligibility, but in the meantime, I've mailed him an application for the Aged, Blind or Disabled Medicaid program.

Rep. Roland Smith stated he also wrote US Senator Lindsey Graham regarding the SSA issue. Rep. Roland Smith stated he does not need a written response regarding this issue.

Mr. Skelton has my number should he need assistance in the future.

Thanks!!
