Join us from 6pm until 9:30pm Fri, Oct. 26 & Sat, Oct. 27 for Huntington's Haunted Halloween at Huntington Beach State Park. The Atalaya "castle" will be the setting for an evening of fright-fully fun family entertainment! Enjoy 2 separate haunted house attractions: the Hall of Wonders and Ghost Manor, carnival games, crafts for children, Scooby Doo cartoons on the big screen, s'mores, a bonfire, and more!

Admission to this event is \$10/adult; \$7/child 6-15; & age 5 & under are free. Regular park admission fees will be waived during the event. Parents, please note: while this is a family event, some of the special effects used in the haunted houses may be too intense for younger children. See you there....if you dare!

**Trish Gibson-Grossmann** We loved your Haunted Halloween and walking through Atalaya castle with your creepy monsters. Thanks so much for the creative family event! My kids loved making s'mores and hearing scary stories by the campfire afterward!
