Dear Governor Haley,

We want to take a moment to thank you for your recognition letter that we received. It means a lot to know that you acknowledge our experience and passion for combating the issue of homelessness and poverty in the city of Easley. Our ministry is a fiscally-sponsored 501c3 nonprofit organization that does a large amount of outreach activities. Not only do we help the homeless in our community, but we also focus our efforts on less fortunate and troubled children. We even had children break into our church looking for food. They were apprehended by local authorities and found inside of our church eating food items. No other items were taken and nothing was vandalized; they were simply hungry. Our ministry is in an area that really needs help. We are trying our best, but we need help. We are a small ministry with big hearts and lack of funding is a major issue. We need your help obtaining funding or grants to continue making a difference in our community. This is our plea for help.

We ask these things in Jesus' Name.

Thank you for supporting our ministry,

Pastor Tracy and First Lady Sunshine Gantt

P.S. Our ministry has been featured on the news and had several news articles written about us.
