Dear Misses Governor Nikki R.Haley,

first we want to introduce ourselves to you in short.

We,my man Matthias and me,are collecting autographs of people
whohave achieved great feats.We have got an extensive collection
so far,bat your autograph is missing there.

I'd like to take the liberty paying a compliment on your achievement.

We've got a big favour to ask of you.

Please,would you send us autograph of two photos?

Dear Misses Governor Nikki R.Haley,you would enrich and complete our
collection and we would be very,very happy if you came up our expectations.

We wish all the bet for your health and further a lot of great works.

The best of luck!

Yours sincerely !
