Dear Governor Haley,

Thank you very much for your letter. We are proud to be a part of the dynamic business community of South Carolina. Additionally, we believe Otto Izakaya brings new energy and diversity to the restaurant scene in Greenville.

To facilitate the success of Otto Izakaya, we would like to request that our new restaurant be allowed to put a permanent sign on Woodruff Road. Our restaurant building does not have visibility from Woodruff Road, and Market Point Drive is presently experiencing minimal auto and food traffic. A permanent sign visible from Woodruff Road will capture the attention of potential customers of Otto Izakaya. We earnestly ask you to consider granting permission for this signage, and welcome the opportunity to discuss this request.

We look forward to hearing from you.

Sincerely,

Peter Lieu
