Dear Nikki,

The New Year is an ideal time to assess whether your agency is getting **the most from your network investments!**

HughesON™ is a cost-effective, comprehensive suite of managed network solutions that enable you to **enhance your existing infrastructure – without the cost and complexity of a full-scale replacement.**

With HughesON, you can streamline and improve operations in many ways...

- **Enjoy high capacity access and high availability networks** optimized for your unique needs as a multi-branch government organization.
- **Secure your network** with PCI compliant wireless intrusion detection and prevention.
- **Enhance operations** through faster speeds, higher capacity, Wi-Fi, managed network services, centralize control, and monitoring and support.
- **Train your workforce** with digital screens and engaging video-on-demand capabilities.
- **Improve the constituent experience** through digital signage and kiosks, as well as in-branch mobility.

Add bandwidth AND reduce costs with HughesON - now available via

Networx!
