Subject: Team South Carolina schedule

Directors,

First, please welcome your new Team South Carolina teammate Christy Hall, Secretary of the Department of Transportation! We are excited about her permanently joining the team. Christy, on the other hand, is just excited South Carolina doesn't have any volcanoes to go with our floods, hurricanes, and earthquakes!

Second, please see below the long awaited schedule for Team South Carolina. We are extraordinarily grateful for the work your staff has done to pull this off on short notice. We are working on refining the events as we go and welcome your input. The agency lineup will remain the same, but I'm copying the entire Cabinet here for information purposes. Obviously, we have more location work to do with the last four events, and we will fill you in as those details are finalized. If you have any questions in the meantime, please contact Katherine Haltiwanger (803.767.7786).

Thanks,

Austin
