Hello Chaney –

I hope this finds you well. I am reaching out from MSNBC's "Melissa Harris-Perry" show. This Friday afternoon, we are taping a piece with both South Carolina Political party Chairs and a group of 22 students live from the Alumni Center on the campus of the University of South Carolina at 1P. Is there any way Governor Haley would be willing to speak to Melissa Harris-Perry and the students? What do you think? Anything you could do to help facilitate would be greatly appreciated.

Best,
