Dear Sara,

I heard about you from your grandmother and want to take a moment to congratulate you on your accomplishments in making the A Honor Roll from the first through fifth grades and being selected for the South Carolina Honor Chorus. It's wonderful to learn about young people like you who are working hard and making our state proud. I am pleased to join your family and friends in recognizing your achievements. Keep up the good work! God bless.

My very best,

of you Sara!*
