---

Tori

I have already reached out to the Base Commander. I will send an email to you and his scheduler in the morning. (Busy day with the election and Charter School Board Meeting) How far are yall scheduling out? With the brief and tour of the base we usually block of 2-3 hours for this type event. Do you have some proposed days?

Kind regards,

Hi CMSgt Thomas,

It was a pleasure meeting you Saturday at the Get Out to Vote event in Camden. I just wanted to touch base with you about both topics we discussed. Would you mind sending me a little more information? We would love to make it work, and the LG specifically mentioned to me when we left that he would love to come tour the base if that is a possibility.

Thank you!  
Tori Beth
