Para 1

On behalf of the Senators and Representatives who have joined me in a conversation on K-12 education in South Carolina...(then what you had)

Para 2

We have been meeting over the past several months to identify the challenges faced by our public schools and determine how we may best overcome them together. Now we need your input. Please join us for an open conversation on how improve the educational experience and ensure a high-quality education for all of South Carolina's children.

Para 3

Due date – must conform to page 2.

Note

Confirm form of address for each member with Veldran. Ex: It's probably "Senator John E. Courson, President *Pro Tempore*" or something like that instead of "Chairman John E. Courson"
