Thank you Danny! We look forward to welcoming Lajoia to our group. If she could forward her contact information to us so she can get added to our list serve that would be great! I have copied Kim Elliott as well on the e-mail.

Thank you.
Robyn

Subject: Introduction

Hi Robyn, Russ, Hack and Kris, and I hope that you're doing well as Spring winds down. Please allow me to introduce LaJoia Broughton, the new Director of External Communications at the Investment Commission. She has come on as of last week to replace me (no comments, please), and she is eager to engage our peers in SC and expand upon the relationship we've built to date.

I have discussed with LaJoia what we've done over the past couple of years and that RSIC absolutely wants to grow our engagement. Please welcome her and look forward to hearing form her soon.

I also hope to see you all soon, and please let me know if there's anything helpful we can do in the Lieutenant Governor's office.

Take care,

Danny
