Subject: Thank you Warden Cohen, Ridgeland

After many email and phone calls Warden Cohen got everyone together and heard things out. He than called me, like he promised.

I would like to thank Warden Cohen looking into the matter below and how he handled the situation. He showed respect to me that I don't see often in the SCDC prison system. So much good came out of the meeting. He also spoke highly of my son John Springer (294365) and the work he is doing to help other inmates and in the prison Library.

Ridgeland prison is one of the best prisons in SC due to Warden Cohen!! My heart swells with gratitude for the professional way this whole madder was handled by Warden Cohen!!! I think so highly of him and his work.

Please thank him and let him know how grateful I am that my son is in HIS prison..

Now to get some money there to put cameras in all the common areas, fix the showers, put some partitions in the shows, repair the air conditioner again, do some painting in the dorms, get supplies so the library can at least repair some of the books they have (book tape etc).
A little fixen up under Warden Cohen and Ridgeland will be a star prison.

Respectfully,

Katherine Hurst
