Great, thanks! When will you send the itemized credit card donations list? Thanks so much for your help with this!

Hi Holly,

I'm sorry for the delayed response. JoAnn and I were in Sumter this morning for a long term recovery meeting. I have attached a donor report (checks) from 11/18 until today as well as an online report. I'll send you a report every Friday moving forward.

The \$10,000 is still reflected on the totals for the online link. The gentleman was refunded and we received his check yesterday (it is in the attached report). Taking it off the online totals requires the stamp of approval of a staff member that is out on vacation. Just back that online total down \$10K for now please until we can get it removed.

I'll send you a breakdown of the online report shortly but I wanted you to have this before your meeting.

Best,
Dana

Hi Dana, I just checked the online donation amount; it's at \$28,315. Have you backed out the \$10,000 yet that you anticipate will be a check?

That total is actually \$11,370 not \$10K, but yes.

Plus the 10,000 that aren't reflected in the online giving. That was given prior to the link becoming operational?

So, total is 435,007?

Yes, the online credit card donations in the report you can pull up via the link is \$15,007 once you subtract the \$10K. The rest of the checks are outlined correctly.

Once JoAnn returns we can discuss the more detailed reports.

Thanks, Dana. So is the below correct:

100,000 - McNair
300,000 - Richardson
10,000 - check
10,000 - credit card donations not reflected in online total
15,007 - credit card donations (less the 10,000 that will be subtracted)

We did, Holly. However, you will see that total go down again as I called the donor and he preferred to write a check so that \$300 of his donation would not go to credit card fees.

Have a great Thanksgiving!

Holly,

Technology is truly magical. We now have a link that will give you the real time update of credit card donations to the fund. You can click on it anytime you wish! I will still let you know if specific committee members donate or when checks arrive in the mail, but this allows you to see the online donations to date. Note that some of these donations may come as a result of our newsletters and correspondence. If you need specifics how many reference the press release or the Governor I can let you know.
