Abbeville's Wish List

New Counters - front and back - This would improve our appearance so much and would be greatly appreciated by all of us.

New floors

Sink w/cabinet for breakroom

Testing Machines (2)

Ceiling Tiles

Move employee's bathroom door (it is directly behind the front counter - could be changed to enter through spare office)

Landscape

Trash/cigarette receptacles

Parking lot paved

Blinds/window treatments

New front and back doors

Decor to improve appearance (pictures - possible local interest/artist or state prints/ plants or arrangements.)

Internet computer w/printer set to SCDMVONLine for customer only - to do on-line transaction - sort of like our own ATM

Thanks
