Dear Governor Haley -

As a proud South Carolinian, I want to say thank you for your decisive, moral, and compassionate stance you took yesterday in regard to removing the Confederate Battle Flag from the State House Grounds. While I have only been living in SC for 8 years, and know that others have a much deeper and more complex history here, I am a citizen of a state I love, and I can honestly say I have never felt prouder to live here than yesterday.

Thank you for your courage, vision, and willingness to work to make things right for South Carolina. We all deserve to live in a state of decency.

Sincerely,

Sara Schneckloth
Columbia, SC
