Jamie Krug I saw another event at Poinsett here on my Facebook but I can't seem to put my finger on what day it is or was...hopefully we didn't miss it. It was an early morning hike with ranger, followed by a reptile talk with a live snake, kids activity making pinecone bird feeders, and an all day scavenger hunt. Do you happen to have more info on that?

South Carolina State Parks Jamie Krug, looks like those activities take place on Oct. 4 at Poinsett. Check the website here: <http://southcarolinaparks.com/poinsett/poinsett-programs.aspx>
