Hello Tony,

As a follow-up to the Chandra's voicemail from 1/6, you have been identified as the site visit contact for the **Lieutenant Governor's Office** at the **Lieutenant Governor's Office Building** site tour on **Wednesday, January 21st**.

The contact information we have on file is below:

Nick, and I are part of Gensler's team, the architectural firm that is making site visits to multiple sites around the state. We anticipate one of us will arrive around **11am** on **Wednesday** and will need to be escorted throughout the facility.

Thank you for your time and help keeping this fast-paced project moving forward on schedule. Let us know if you have any questions.
