Subject: conversation with Tracy Edge

On April 22nd 10:00 am, I attended and spoke at the Horry County Republican Party Convention.

On the way out, I was approached by former Rep. Tracy Edge. He said he needed to speak with me. I told him that we had several other conventions we needed to attend. I would be glad to call him on the way home later that afternoon.

Later that Saturday afternoon, I called Tracy.

Tracy told me "I have asked the Governor to be the next DHHS Director. With the Grand Jury investigations going on, we don't know what's going to happen to Henry, so I want to ask you for your consideration to be the director of DHHS to make sure I cover all the bases."

I told Tracy "I don't have any knowledge of the Grand Jury, however, it was great to see you in Horry County this morning, have a great weekend"

This is the best recollection of our conversation that I can remember at this time.
