---

I understand that we've been confirmed by Charleston for the evening of the 4th, and I know that Darryl sent in some information on the morning of the 5th in Mt. Pleasant.

I also have confirmed a stop by Patriots Point on the way from MP to Charleston. They expect LG about 10:45. Lily, please contact Brandon Dermody at 843-906-9759 for details. This is just to meet and say hello to the executive director in anticipation of an event later in July. No need to get the template filled out this time.

LG will then go to lunch at 12:15 on Johns Island at the home of Pat McKinney--address to follow.

They can be back in town by 1:30, so Darryl, please confirm either a MUSC visit or on to N Charleston aging center.

We also need to see Tom Lindquist at Molina Health in N. Chas for about 1 hour. I will set him for 4pm and pass the detail back for scheduling.
